UK-Brazil Neglected Infectious Diseases Partnership

Status: Closed

Open date: 01/05/2015

Closing date: 01/07/2015 16:00

Type: Calls

Categories: [Infections and immunity \(/callCategoryLinks/infections-and-immunity/\)](/callCategoryLinks/infections-and-immunity/)

The Medical Research Council (MRC), the Economic and Social Research Council (ESRC), the Brazilian State Funding Agencies: FACEPE; FAPEAL; FAPES; FAPEPI; FAPITEC; FUNDECT; FAPESP; FAPEAM; FAPEG; FAPEMIG; FAPDF; FAPERGS; FUNDAÇÃO ARAUCÁRIA; FAPERJ; FAPESC; FAPEAP, articulated by the National Council of State Funding Agencies (CONFAP) and the Brazilian National Council for Scientific and Technological Development (CNPq) invite applications to the UK-Brazil Neglected Infectious Diseases Partnership Call as part of the Newton Fund.

This initiative will provide funding for collaborative research projects, focussed on neglected infectious diseases in Brazil.

In total, up to £4.4m will be made available for this initiative. Up to £2.2m on the UK side (£2m from the MRC and £200k from the ESRC) with equivalent effort matched by the Brazilian funders.
